VARIOUS AND ALL ABOUT.

S. L. Shealy, of Pomaria, has joined the Indian tribe, having recently purchased an Indian motorcycle from the agency of I. T. Timmerman.

Since the Arcade has moved to its new quarters everything connected with it is better. It is an ideal place for showing moving pictures and a better place could not be found.

Manager Wells, of the opera house, has been giving the people of Newberry some good shows for the past several weeks. The vaudeville has been exceptionally good and the pictures are of the very best.

There is a negro woman living on Mr. John Cousins' place who has been married three years and in that time has had seven children. First, twin sons; second, twin sons, and third, triplets.

Maston Grazer was happy last week. He was visited by his son, Joseph came from Philadelphia to visit him, accompanied by Weston Gray, son of Walter Gray, who came from New York. Walter Gray lives in Charlotte. Joseph Grazer and Weston Gray left this week to work in Florida this season, after which they will return to their respective places. From appearances and manners these two young negroes are representatives of the better class of their race.

Now Listen at This.

The Anderson Mail says there is no such thing as that belled buzzard. Anderson Mail is mistaken. The Herald and News reporter heard the bell of the buzzard while visiting in Gaffney or elsewhere, but there is or was a buzzard is a reality. There is no myth about this, no matter what Anderson Mail thinks and says.—Newberry Herald and News.

Don't know what Anderson Mail or Herald have seen or heard in Gaffney or elsewhere, but there is or was over a month ago a sure enough, unmythical belled buzzard out on Rabun creek, in the vicinity of Yucatan, cause the writer on the above specified time and place saw and heard the bell—even so, he beheld the bell on the buzz, a tiny, tingling bell. Hello, hello!—somebody's cut us off.—Laurensville Herald.

What in this wide world do you mean, man up the tree?

RESOLUTIONS OF THANKS

Student Body of High School Adopt Resolutions of Thanks for the Flag.

At a meeting of the student body of the high school, held Tuesday, January 20, the following resolutions were unanimously adopted with a rising vote.

That the faculty and students of the Newberry high school accept with sincere thanks the beautiful and suggestive State flag presented to the school by Mrs. L. W. Floyd, in behalf of the Drayton Rutherford chapter, Daughters of the Confederacy, on the anniversary of Robert E. Lee's birthday, January 19, 1914.

That we guard and cherish it as emblematic of the heroic deeds and chivalrous valor of our fathers in the great fratricidal struggle of 1861-65. May it ever wave in honor and in unsullied glory and patriotic hope from the top of our high school building—alike when its gorgeous folds shall sport in the lazy holiday triumphs on the summer breezes, or its tattered fragments be seen through the clouds of war, and may it ever be our joy and pride—the insignia of right and liberty in a cause whose justice has commanded the enlightened admiration and endorsement of liberty loving mankind the world over.

That a copy of this action of the students and faculty be transmitted to Mrs. L. W. Floyd and through her to the Daughters of the Confederacy of the Drayton Rutherford chapter, testifying that we shall forever hold them in priceless gratitude and sacred remembrance.

Church of the Redeemer.

(Rev. Edward Eulenwider, pastor) Nothing preventing, the following will be the programme of divine services at the Lutheran Church of the Redeemer next Sunday:

11:15 a. m. The regular morning service. The pastor will preach a special sermon on the subject, "No Quitter Ever Gains the Best Gifts of Life." Texts, 2 Kings 13:18, "And he said unto the king of Israel, smite upon the ground. And he smote thrice, and stayed." Matt. 8:11 and 12, "And I say unto you, That many shall come from the east and west, and shall down with Abraham, and Isaac, and Jacob, in the kingdom of heaven. But the children of the kingdom shall be cast out into outer darkness; there shall be weeping and gnashing of teeth."

The king of Israel was a "quitter," and he failed miserably in his wars against the enemy. The poor leper, and the compassionate centurion, in the gospel lesson for the day, were men of persistence and determination. The leper was healed of his dreadful disease. The servant of the centurion was healed of his palsy. Both men got what they asked. Many, in fact, most of the failures, in secular and religious life, come because men are satisfied to be "quitters." Some very practical and encouraging lessons will be presented in the sermon.

7:30 p. m. There will be a song service. The pastor will preach the second in the series of sermons on "What Jesus says of Himself in the gospel of John." The text will be John 14:6, "I am the way, the truth, and the life; no man cometh unto the Father, but by me."

10:15 a. m. The Sunday school meets. The attendance is large, and much enthusiasm is being shown. The "blue ship" is leading the "red ship" by only four miles. Which will take the lead Sunday? Every scholar will help to answer this question.

The public is cordially invited to all the services.

Prizes for County School Fair and Field Day.

The Executive Committee of the Newberry County Teachers association has appointed a committee to secure prizes for the various contests and entries for the county school fair and field day, which is to be held in Newberry by the 59 white children schools in the county early in the spring.

The teachers assembled in session on January 10, expressed much enthusiasm over the coming event; but in order for the undertaking to be the success it deserves, the citizens of Newberry must come to the assistance of those working up the fair. This school meet will mean much to the schools of Newberry county, and it will also mean much to our town and its citizens.

The committee on prizes finds, after investigation, that where these school fairs have been held, the custom has been for the prizes to be contributed by the business men and individual citizens of the town and county. We can always count on the generosity of the Newberry people, so the committee feels sure they will meet no disappointment when the work of obtaining prizes is begun next week.

Because of the large number of

prizes to be awarded, it has been deemed wise not to ask or expect donors to furnish prizes of large valuation. Cash contributions will be appreciated, and the committee can use them to good advantage. Any one wishing to donate a prize or prizes or make a money contribution, will please see any member of the committee on prizes as soon as possible.

Miss Rosalyn Summer, Mrs. C. D. Weeks, Mrs. E. M. Evans, Mrs. M. P. Fant, Miss Sense, Miss Wise, Miss Lupo, Mr. J. B. Mayes, Committee.

Small Fire Wednesday.

The fire alarm sounding Wednesday afternoon between 2 and 3 o'clock was caused by the burning of grass in the yard of the Bethlehem colored Baptist church. The fire company responded with accustomed promptness and dispatch and by quick and good work put out the flames which threatened the destruction of the church building and Mr. J. C. Sample's barn was in danger. It is supposed boys set fire to the grass while playing to see it burn.

Newberry Man.

Anderson Mail. Mr. H. C. Summers, Jr., new member of the house of representatives from Anderson county, has been appointed a member of the important ways and means committee. The appointment was made by Mendel L. Smith, speaker of the house, along with others, to fill vacancies caused by the resignation and deaths of members. The other new members of this committee are: Mr. Rittenberg, Charleston; Mr. McMaster, Richland; Mr. Pate, Darlington.

Another Man From Newberry.

Bishopville Leader and Vindicator. Mr. E. N. Austin has resigned the office of chief of police and has been appointed deputy sheriff. Everybody knows Chief of Police Austin to be a capable, prudent and fearless officer and Sheriff Muldrow could not have secured the services of a better man.

Under his administration as chief the town has enjoyed a remarkable quietude from disorderly conduct. In appreciation of his services council raised his salary \$10 just a week ago.

CLEMSON NOTES.

Clemson College, Jan. 20.—President Wilson, on Tuesday last, passed through Calhoun en route to Washington. His train went through very slowly and he appeared on the platform so that the Clemson boys might see the president. He seemed to enjoy very much the cheer and college yells of the college boys. Practically every student and a large crowd of our professors went to Calhoun.

Inter class football has begun in earnest and each class has out a good number of men trying for the teams that will compete for a silver cup. From these class teams we always get some good material for the Varsity squad the following season.

The agricultural seniors in groups, have recently enjoyed very much the hospitality of Dr. and Mrs. Calhoun in a series of afternoon dinners.

About sixteen men have reported for the short course in cotton grading which will last six weeks.

Clemson has a good Glee Club this year. Practically every member has returned and is ready for real work in the Glee Club. We are also expecting to have in addition one of our last year members, "Hack" Ferguson. "Hack" is indeed a very valuable man and his coming will no doubt add much to the spirit and music of the club.

Manager Hood is arranging some very interesting trips, and it is expected that this will be the most prosperous and most enjoyable season that this Glee Club has ever witnessed.

Plans for an entertainment at Yorkville on January 24, and at Winthrop college on January 26, have been pretty definitely arranged. By continued practice and the return of "Hack" Ferguson, the Glee Club will be nothing short of a worthy representative of Clemson.

The library is opened on Monday and Friday afternoons. The hours are from 3:30 o'clock to 5:30 o'clock until further notice.
